

CHURCH PLANTING

24:14

“And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.” Matthew 24:14

Our school of church planting is called **24:14**. It is designed to equip people with the skills and knowledge necessary to plant communities of faith all over the world. Emphasis is placed on relevant readings, simulations, case studies and practical exercises that challenge students to adapt, think critically, and improvise in real-life situations.

WHO CAN APPLY?

24:14 accepts people of all ages! If you are intending to join one of our church planting teams, **24:14** is designed for you. But in most cases Elevate is a prerequisite.

COMPETENCY BASED

24:14 is designed around competencies that aim to equip the student for church planting. Those competencies are:

- Love God
- Live Kingdom Values
- Utilize the Bible for effective discipleship
- Reproduce disciples in both the workplace and the church
- Engage other worldviews biblically
- Practice healthy communication
- Learn to reproduce church planting movements

“Before 24:14 I really had no idea what real church-planting was like. I am so thankful for this program! I now feel spiritually prepared and practically equipped to face the challenges of starting a church.”
