Frequently Asked Questions

I'm not from Waco, can I still enroll?

Yes! We regularly have students apply from all over the world and would encourage you to apply for Elevate before proceeding on to 24:14.

I'm not a U.S. citizen; can I still attend the schools?

Yes! We would love to have you, provided that your English is conversational and that you can read and write in English. You must arrange for your own visa requirements. We are happy to supply a letter of invitation, if needed. For visa purposes, you will be required to demonstrate that you have sufficient funds to do the school since you cannot live in the U.S. on a work or student visa.

I have a lot of debt, can I still apply?

Because we value a debt-free lifestyle, debt for **Elevate** applicants will be considered on a case-by-case basis, taking into consideration their financial responsibility and willingness to get out of debt. We ask that applicants for **24:14** be out of debt by the time classes begin. The only exceptions to this are for student loans or a home mortgage.

I currently live on support. Do I have to get a job during Elevate or 24:14?

Yes. Students are required to have a part time job for the duration of the schools. We encourage students to arrive at least a month prior to the beginning of classes to find employment.

Is housing provided?

As a general rule, we are unable to provide housing for students. Students are encouraged to arrive at least a month before classes begin in order to find adequate housing.

Is childcare provided during class?

You will need to arrange your own childcare for the duration of the year.
