

Welcome!

We're glad that you're interested in learning more about Antioch Training Schools. This brochure will give you the information you need to decide whether or not God might be leading you to attend.

Since 1987 when we started this training school, we have graduated over 700 students! We look back in amazement at what God has done and we are humbled by the lives He has allowed us to touch. Graduates of ATS have taken the gospel into over 100 nations of the world. God has accomplished so much for His glory!

As you look through the information provided here, we encourage you to pray and ask God what the next step for your life is. If you sense ATS might be a part of that journey, contact us and we would be happy to explore the possibilities with you!
