

ATS Requirements

Much of the learning that takes place during the schools actually happens outside of the classroom. This is because we believe learning happens best by doing! In light of that, students are asked to participate in the following ways:

Reading – Keep up with assigned readings and complete assignments on time.

Service - Serve at Antioch Community Church on a regular basis. This includes children's ministries, college, young adult, urban outreach, and various other things.

Evangelism - Share your faith daily with those who don't know Jesus.

Discipleship - Mentor other believers in their growing faith.

Sunday Celebration Service - Attend Sunday services each week.

Lifegroup Attendance – Plug in to one of our small groups on a weekly basis.

Scripture Memory – Memorize assigned Bible verses every week.

Tests - Successfully pass all exams offered during the course of the year.

Outreach - At the end of every year students participate in a 6-week international outreach.
